in their honor

Statistics tell us that somewhere in the United States, a peace officer is killed in the line of duty every 53 hours. And no state has laid to rest more officers than our very own — California. That's a distinction none of us want, but it is the reality peace officers face every day.

The Professional Peace Officers Charitable Foundation (PPOCF) was established in 1999 to provide assistance to members of the law enforcement community in need, most notably the families of peace officers killed in the line of duty.

The proceeds from this Peace Officer Memorial Golf Tournament support law enforcement personnel and their families in times of crisis. Financial assistance from PPOCF also helps surviving family members attend annual memorial ceremonies in Los Angeles County, Sacramento, and Washington D.C.

The Professional Peace Officers Charitable Foundation is grateful for the support from our tournament sponsors and participants. Your generosity goes a long way in honoring the sacrifices made by peace officers and their loved ones left behind.

The Professional Peace Officers Charitable Foundation is a 501(c)3 charity organization. Your donation is tax deductible to the extent of the law. Tax ID #95-4752410
